Meet the Speaker:

Ryan Kwon

Growing up in Southern California all my life, I can't help but to add to the already stereotype of So Cal'ers. Yes, warm weather, beaches, sushi, and city life is the atmosphere I thrive in. When I asked Jesus to come into my life in college, I immediately felt the desire to spend my life for Him. My first impulse was to be a medical missionary but soon realized God has made me to lead and teach in the local church.

I graduated from Talbot School of Theology with an M Div. and a Th. M. In Southern California, I was a part of an exciting church plant for 7 years until God made it clear for me and my family to be a part of the family here at Bridges. I have a renewed passion for the Gospel and have a great desire for our church to be a place to process the Gospel for believers and unbelievers alike. My other areas of passion in ministry are teaching and social welfare.

I definitely married up! My wife Jenni is a daily reminder of God's grace in my life. We a curious son Caden, who loves to read and study ocean animals, and we have one on the way. Apart from ministry, I have a passion for food, UCLA football/basketball, coffee, and 80's music
